TAN OXFORDS

ARE NECESSARY THIS SEASON.

THE Tan Oxford is this season claiming its rightful place as the best summer shoe. Tan is the coolest leather that can be worn—the softest and easiest on the feet. Many exclusive styles here, including several of the season's fad—the sailor tie.

Queen Quality Tan Oxfords

Gibson Ties, blucher oxfords and plain lace styles in Russia calf, with welted soles, sailor ties, Gibson ties and button oxfords, in tan vici with light flexible soles. Prices:

Laird, Schober & Co.'s are practically the only women's fine shoes in the country. They are unequalled in any respect—but especially in daintiness of style, flexibility and ease to the feet, and superb fitting qualities.

Queen Quality Oxfords are pre-eminent among medium-price shoes—especially in the point of comfortable fit, and we carry a large enough variety in both lines to insure a pleasing selection and perfect fit.

SUICIDED.

A young man by the name of John Hendricks, supposed to be from Louisville, deliberately threw himself in front of L. & N. train, No. 17, on Monday, just as the train was approaching Jericho, Henry county. His head was severed from the body and the frame ground up horribly.

FINE OPENING.

On Monday night last Cove Spring Park was formally opened, and, notwithstanding the heavy rains of the afternoon, there was a good crowd in attendance, to witness the opening performance of the Ina Lehr Stook Co. The performance was a good one and presented a successful season of summer entertainments.

SAD DEATH.

The sad news was received in this city on Wednesday afternoon that Mr. H. W. Alexander, son-in-law of Mr. W. J. Hughes, of this city, had been found lying dead upon the grave of his wife (who was Miss Nettie Hughes), in the Lexington Cemetery that morning.

Mr. Alexander's wife died two years ago, and he had never recovered from the shock.

It is supposed that he died from heart failure or from a stroke of lightning, as the last seen of him was on Tuesday afternoon, just as a severe storm was coming up, and he was weeping bitterly. Almost in the same spot where his body was found, there were several severe strokes of lightning, which were supposed to have struck near the place.

REVENUE TAXES COLLECTED FOR MAY.

Deputy Collector Grant L. Roberts collected internal revenue taxes for the month of May as follows: 2,494 barrels; 95,880 4-10 tax gallons; \$105,488.44 amount of tax.

HORRIBLE DISCOVERY.

Dr. U. V. Williams related to us the particulars of a horrible discovery made while digging a grave in the cemetery on Sunday. That part of the cemetery had never been used. When the sexton had reached a depth of something over five feet he came upon the skull of a young man which had two big nails driven into it, just above the left ear. It recalled to his mind the particulars of a tragedy of this long ago.

BUYS A HOME.

Mrs. Lew. G. Choate has purchased of Mr. Franklin Morris his two-story, frame dwelling house on Murray street, between Campbell and Todd. Consideration \$1,800 cash. Mrs. Choate took possession the first of June and moved her family in at that time.

Only one remedy in the world that will at once stop itchininess of the skin in any part of the body; Doan's Ointment. At any drug store, 50 cents.

TERRIBLY HURT.

While a young man by the name of John L. Smith was at work at the Kentucky River Poplar Co.'s Sawmill, on Monday, a belt gave way, throwing Smith against a small circular saw, which inflicted a terrible gash in his hip before he could recover himself. The cut is about 14 inches long and reached to the bone of his hip and pierced the cavity.

Dr. H. S. Keller and C. A. Fish attended to his injuries and the man was taken to the King's Daughters Hospital. After removing the splinters of the bone it took twenty stitches to close the wound.

KICKED BY HORSE.

As Dr. J. S. Demaree was hitching a fractious horse, that he had been driving, in front of the King's Daughters Hospital, on Monday, the animal let drive with his heels and hit the doctor on the knee. Happily the gentleman was so close that the bone of the leg was not broken.

LAID TO REST.

The remains of Mrs. Ann Mary Knott, widow of the late Mr. Richard Knott, were brought here from Louisville on a special train, Saturday morning, at 11 o'clock, accompanied by about thirty relatives and friends. She was tenderly loved and mourned by many in this community.

CHURCH DEDICATED.

The new Methodist Church at Puigroves, this county, was dedicated on Sunday last. There was a big crowd, fine dinner, and a subscription of sufficient funds to pay the balance owing for the building. Rev. H. C. Morrison, former pastor of the Methodist Church here, preached the dedicatory sermon.

..DEATHS..

HOCKENSMITH—At his home, near Swallowfield, this county, on Friday night, Mr. D. J. Hockensmith, aged 77 years.

Mr. Hockensmith was an upright, honorable, Christian gentleman. He had been in poor health for some time, from the infirmities of age, but had only been confined to his bed for about three weeks. He was a member of Bethel Baptist Church.

He leaves two daughters (Mrs. Geo. M. Brock and Mrs. Charles Snellin, of this county), and a large circle of relatives and friends to mourn his death.

The funeral took place from the chapel in our cemetery, at 2 o'clock on Sunday afternoon, the services being conducted by Rev. J. K. P. South, after which the remains were laid away in the family lot in the cemetery.

HOLMES—At his residence, in Eminence, Ky., on Tuesday, Dr. Samuel B. Holmes, aged 52 years. Dr. Holmes was raised at Lagrange, lived in Paducah for several years, but came to this city when a young man, and entered into the drug business with Dr. W. H. Averill. Later he purchased the drug store at the corner of Main and St. Clair streets, and with his partner, Dr. Frank Halloran, did a prosperous business until the firm was dissolved by the sudden death of Dr. Halloran. After that he continued the business alone, and about the same time he was, through the influence of Hon. Wm. Lindsay, appointed Postmaster by President Cleveland and served through two terms, the later under President McKinley.

His health having, in the meantime, become impaired, he, soon after his retirement from office, sold out his drug store. He remained out of business for some months and then removed to Eminence, where he again embarked in the same business and was so engaged at the time of his sudden death.

About eighteen or nineteen years ago he was married to Miss Kittie Todd, the youngest daughter of Capt. H. I. Todd. The fruit of that marriage was two children (Miss Jane Todd and Master John I. Holmes). He leaves his wife and the two children mentioned to mourn his untimely death.

The remains were brought here and laid to rest in the family lot in our cemetery on Wednesday.

McEWAN—In this city, on yesterday morning, at 1 o'clock, Mrs. Caroline McEwan, aged 73 years. Mrs. McEwan was the widow of the late Mr. Alex. McEwan. She had been in poor health for a long time, and her death came as a sweet release from suffering. She was a member of the Methodist Church, and a devout Christian. She leaves two sons (Rev. W. L. McEwan, D. D., of Pittsburgh, Penn., and Mr. James H. McEwan, of this county), and five daughters (Mrs. John R. Todd, Mrs. S. M. Noel, Miss Mollie, Miss Christine and Miss Lizzie McEwan, all of this city), to mourn her death. She had a wide circle of friends who will miss her sadly.

SHOUSE—Mr. James H. Shouse died May 15, 1905, ripe in years and rich in honors. He passed into that rest which remaineth unto the people of God, leaving, as a price less legacy to his family, to his countrymen and to posterity, the memory of a life nobly lived and ever consecrated to the cause of truth, justice, righteousness and constitutional liberty. A noble heart has ceased to beat and a good and noble Christian gone.

A FRIEND.

THE RECENT MEETING OF THE GRAND COMMANDERY, K. K. T.

The recent convocation held by the Grand Commandery of Kentucky at Richmond, was one of the best and most successful ever held by that Grand Body.

There were more Commanderies fully represented than ever before; more Sir Knights in line in the parade—over 500; and splendid progress reported by the different Commanderies.

The Grand Commandery did a graceful act when it congratulated the venerable Sir Knight Curtis F. Borman upon his 85th birthday, throwing open the hall to the outside world to witness the reception, and also in congratulating Rev. Sir Knight John M. Worrall upon his 80th birthday. The scene was very affecting, drawing tears from eyes unused to weeping. The Frankfort contingent returned in high feather and unsolicited in praise of the handsome way in which the Sir Knights and people of Richmond treated them. Taken all together, the recent Grand Commandery showed the order at high tide throughout the State.

COMMENCED WORK.

Messrs. Balke & Behnder, the contractors for the excavation for the new Capitol building, commenced work in earnest on Wednesday last. They propose to push things right along now.

DISTILLERIES CLOSING DOWN.

The Old Judge Distillery, No. 11, the property of Mr. S. C. Herbst, ceased operations for the season on Tuesday last.

The Hermitage Distillery of M. A. Galt & Co., will shut down on Monday.

ANOTHER SENSATION.

Sensation follows separation in the Hargis cases, in which the defendants are on trial for contempt of court at Winchester, on Wednesday they were arrested, upon warrants sworn out before Judge Cardwell, of Jackson, charged with complicity in the assassination of Jas. B. Mareum.

Judge Jas. Hargis, A. H. Hargis and B. F. French were placed in charge of the jailer of Clark county, while Ed. Callahan was said to have been arrested in Breathitt county.

It looks like "something would be doing" right soon.

The F. & C. Railway will run a special train to-day to the Latonia Derby. It leaves here at the regular time and will leave Cincinnati at 8:10 p. m., returning, reaching home at 11 p. m.

FURIOUS FIGHTING.

"For seven years," writes Geo. W. Hoffman, of Harper, Wash., "I had a bitter battle, with chronic stomach and liver trouble, but at last I won, and cured my disease, by the use of Electric Bitters. I hesitatingly recommend them to all, and don't intend in the future to be without them in the house. They are certainly a wonderful medicine, to have cured such a bad case as mine." Sold, under guarantee, at the drug store for you, by all druggists, at 50c. a bottle. Try them to-day.

THE TIME SHORT.

Let it not be forgotten that the time in which to prepare for the grand Fourth of July celebration is short. There is lots of work to be done, and no time to be lost. Get down to business, gentlemen of the committee.

COLORED CUTTING SCRAPER.

Two gentlemen of the colored persuasion became involved in a row on Monday night, during which Peter Handy severely cut George Tracey in the side. Handy was arrested by Officer Davis Harrod and lodged in the workhouse to await the result of Tracey's wound.

At Winchester, on Thursday, Felix Felner, the man charged with running off witnesses from that court in the case of Mrs. J. B. Martin v. Hargis, &c., was fined \$3.00 and sentenced to two years in the county jail at hard labor.

FISH FRY FOR ELKHORN AND THE RIVER.

A big petition has been forwarded to the National Fish Commission, at Washington City, asking that a catered fish fry be sent here to be placed in Elk Horn Creek and Kentucky River. We hope it will be successful and then the fish laws to protect fish be rigidly enforced.

GEO. A. LEWIS, Prop'r and Pub.

FRANKFORT, JUNE 3, 1905

WHAT'S THE MATTER WITH THE 4TH OF JULY?

"Col. Geo. B. Harper says that the Fourth of July is the greatest man this country ever produced, and he is just willing to qualify to that bold assertion.

He says every one of his constituents think the same thing, and that the proposed celebration of the birthday of that distinguished gentleman will be the "biggest thing on wheels" that ever came down the pike." Frankfort is going to "put the big pot in the little one and kick the skillet out of the window." Fireworks, balloon ascension, speech-making, procession, etc., etc. Oh my! Oh me! But remember, business men, that if you want to make the blow out the success it ought to be and will be, it costs something, so just put your hands down in your pants and plunk up the stuff, and it will make you feel good all the rest of your lives.

CINCINNATI BUSINESS MEN TO COME HERE.

The Business Men's Club of Cincinnati will visit Frankfort Wednesday evening, June 8, arriving on the steamer Falls City from High Bridge about 5 p. m. They will dine at the Capital Hotel and leave on a special train for the F. & C. Railway for Cincinnati.

President Harper, of the Frankfort Business Men's Club, is appointing committees from that organization to meet the 200 or more members of the Cincinnati Club and extend to them such greeting and hospitality as their very brief visit will permit.

It is proposed to send a section of the reception committee to meet the steamer and welcome the visitors. The general reception committee will meet the steamer at the landing and act as an escort to the hotel, where other and additional "dolls" will occur.

The Business Men's Club of Cincinnati is a live, progressive organization, the cradle institution of the city, and our business men will be glad to meet them and make their visit a pleasant and memorable one.

THANKS.

Mr. W. B. Moore, of Jacksonville, has placed us under obligations for a box of delicious may cherries. He will please accept our thanks.

GENERAL PASSENGER AGENTS, F. & C. R. RETIRES.

Mr. Sam'l E. Hutton, who has been General Passenger and Freight Agent of the F. & C. Railway for some two or three years, retired from that position on Thursday, June 1st.

Mr. Hutton is a thoroughly equipped railroad man, and a fine Christian gentleman, who made many friends here, who will regret to learn of his departure.

We do not know, as yet, where Mr. Hutton will make his home in the future.

Mr. C. W. Hay has been appointed to the position vacated by Mr. Hutton. He is a hustling, progressive and up-to-date young business man.

The Better Way

The tissues of the throat are inflamed and irritated; you cough, and there is more irritation—more coughing. You take a cough mixture and it eases the irritation—for a while. You take

SCOTT'S EMULSION

and it cures the cold. That's what is necessary. It soothes the throat because it reduces the irritation; cures the cold because it drives out the inflammation; builds up the weakened tissues because it nourishes them back to their natural strength. That's how Scott's Emulsion deals with a sore throat, a cough, a cold, or bronchitis.

JAWS

Tightly Locked From Nervous Spasms. Physicians Could Not Prevent Fits.

Dr. Miles' Nerve Cure My Wife.

Dr. Miles' Nerve Cure has been successfully tried in thousands of cases of nervous disorders, but never has it made a better record than when used in the treatment of fits or spasms. Thousands of testimonials prove this, and in nearly every instance the writer has stated that the fits ceased after the first dose of Nerve was given. The statement is repeated in the following:

"Seven years ago my wife commenced having spasms or fits and I called in my home physician and he said she was paralyzed. He rubbed her with salt water and gave her calomel and she eventually got some better, but in a short time she had another attack. She was confined to her bed for three months and the doctor could not help her. She had fits frequently, some times very severe. Her hands would clasp so we could not open them and she finally got so her jaws would become locked. Finally I saw the doctor was doing her no good and ordered a bottle of Dr. Miles' Restorative Nerve. She received so much benefit from the first bottle that I got some more. She has taken a number of bottles and has never had a fit since taking the first dose. She also thinks very highly of Dr. Miles' Nerve and Liver Pills and is never without them. If there is any way of making this testimonial stronger so because of the good results the Restorative Nerve has done my wife—Wm. V. ALLEN, P. M., Elkville, Miss.

SCHOOL TOURNAMENT.
And Old Frankfort's Children Stood Right at the Front.

The School Tournament, held at Lexington last week, closed with the athletic contests on Saturday.

When we consider the fact that only ten of Frankfort's scholars took part in the contests, and the further fact that they had only been preparing for the event for the last two weeks, while others had been at work for months, the honors won by them place them in the front rank. They won three first class medals and three second class with only ten contestants, while Lexington had some sixty.

W. Wickham, Mr. Sterling, thirty-five, Williamstown thirty, Harrodsburg thirty-five, etc.

The first prizes won were as follows:
Basil Kenney—Declamation.
Mary Gayle—Kentucky History.
Frances Orr—Drawing.

The second prizes were:
Nora Marshall—Botany.
Emma C. Enahnh—Grammar.
Lizzie Sargent—Roman History.

In several of her contests Frankfort's representatives were the contending parties and only missed winning by the smallest fraction of a percent.

Frankfort is very justly proud of her public schools, both teachers and scholars, and this contest fully justifies that pride.

Can't be perfect health without pure blood. Turdock Blood Bitters makes pure blood. Tones and invigorates the whole system.

CHAS. J. WEITZEL.

Successor to Weitzel & O'Donnell

FROM OUR "SNITZ."

U. S. R. S. Franklin, Norfolk, Va., May 23, 1905.

Dear "Boss"—

It gives me the greatest of pleasure to drop you a few lines. We are everybody? We are all well and are having a fine time. I have been receiving the Roundabout and Call and am VERY glad to get them. Ben Marshall gets the Kentucky "State" Journal, and we keep pretty well posted. We have been playing "hide and whoop." There are two large brass bands here—one of them plays "Home, Sweet Home," and the other one is playing "Loop the Loop." The only thing I object to is, there is no work here to do (y). Everybody here is as fat as a mole, and getting fatter. Tell all of the employees "hello," for me. Is Mr. Tanner well and able to "loop" with the big press? Has Tom got married yet? Tell "Crisis" I am "going some," and thank I will "loop." Ask Todd why he wasn't on his porch that Sunday? We go in swimming twice a day and have a swell time. We also go to "church" every Sunday. They make us go.

There are boys here from every place, and one of the "guys," from Texas, tried to learn me to throw a lasso, but he did not "see my way clear," he quit. We have very good eating.

You ought to take a "shot" at sleeping in a hammock. I "looped" three times the first night, but have not fallen out since. I have so much to say I don't know what to say first. The train that we came to this "joint" on certainly was "going some"—at a rate of 67 miles an hour. I couldn't tell "where I was at." Tell Mr. Dryden to do the same and you people send your bill to Uncle Sam's nephew—"me"—and I will pay the same. Tell Edwin to answer my letter. If he don't I will "pie" the program. I bet that papa is very proud to know that his "daughter" is such an editor as "Schnelzer, the Sailor." We are trying to learn how to talk with flags, but that is "junk" way to talk, I think. We do nothing much here but smoke, eat and sleep. There is another thing that I object to, and that is, getting up at 6:30. That is too early for me. I hate to get up early in the morning. Go to bed at 8:30 and talk till 9 o'clock, and the rump goes off and the "fire is out." Anybody that talks after 9 it will be made hot for them. Tell "Crisis" I was glad to get that piece about Dr. Moffatt. Mr. Roberts has bought in the country, and he had better take George and Walter out on the farm—that is all they are good for. Is John B. Jr., any fatter. I heard he was contracting a pompous "bay window," of which he was very proud, but Pruet is not doing much good. You will have to get Todd to read that "job tick." As I have nothing more to say I had better commence to make arrangements to bring this intelligent letter to a close. I could have

bought some stamps for 5 cents per each, but I did not, so I believe I will "loop." I hope you all will have a swell time on the glorious 4th of July. I think we all will. As I am getting sleepy I reckon I had better tell No. 11 good-bye. I will "ring off" for this time. Hoping to get the papers, I will say "loop." Yours truly,

CHARLES J. WEITZEL.

P. S.—Tell Mr. Joe I am "going some."

P. S.—Has Judge H. ever said anything about that \$7.80? I won't speak to him any more.

Good-bye. LOOP LOOP.

CARD OF THANKS.

As Commander of Geo. W. Monroe Post, G. A. R., I desire to return the thanks of the Post to the citizens of Frankfort generally for their assistance in making Decoration Day (Tuesday) the most successful yet held. Also to the authorities for the use of guns for the parade.

May God bless you all.

LEVI BERRY, Commander Geo. Monroe Post, G. A. R.

QUALITY vs. QUANTITY.

Hard muscles and strong body do not depend on the quantity of food you eat, but on its perfect digestion and proper assimilation. When you take Kodol Dyspepsia Cure your system gets all the nourishment out of all the food you eat. It digests what you eat regardless of the condition of the stomach and conveys the nutrient properties to the blood and tissues. This builds up and strengthens the entire system, overcomes and cures indigestion, Dyspepsia, Belching, Sour Stomach, etc. Sold by J. W. Gayle.

ELECTED PRESIDENT OF BARACA CLASS.

Dr. J. W. Hill, who was the first President of the Baraca Class of the First Baptist Church (having declined a re-election on account of pressing professional duties), Mr. Walter Crady has been selected to fill that position. The class now numbers 45 young men and is doing a fine work.

On Thursday afternoon the class had its annual outing. Kenney Bros. launch was secured and the crowd went up the river and enjoyed the afternoon in hunting and fishing. They invite still others to join them in the work in behalf of young men.

STRONG Again

Is what Mrs. Lucy Stovall of Tilton, Ga., said after taking Kodol Dyspepsia Cure. Hundreds of other weak women are being restored to perfect health by this remedy. YOU may be well if you will take it.

Indigestion causes nearly all the sickness that women have. It deprives the system of nourishment and the delicate organs peculiar to women suffer—waste, and become diseased.

Kodol Dyspepsia Cure

enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten. It nourishes the body, and rebuilds the weak organs, restoring health and strength. Kodol cures indigestion, constipation, dyspepsia, sour risings, belching, heartburn and all stomach disorders.

DECORATION DAY.

Tuesday, May 30, was Decoration Day, and was observed by the members of A. C. Mason Post, G. A. R., who assembled at the cemetery about 4 o'clock. The regular ceremonies of the order were gone through with and the graves of the silent heroes appropriately decorated.

Geo. W. Monroe Post, G. A. R. (colored), had a more elaborate time. The members of that Post, together with the Knights of Pythias, the Odd Fellows, and the United Brothers of Friendship, the orators of the day and a large number in vehicles, proceeded to Green Hill Cemetery, where addresses were delivered by Prof. W. H. Mayo, Rev. J. M. Hill, L. D. Smith, Rev. C. C. Wakeland and Rev. E. R. Lewis. Music, both vocal and instrumental, was interspersed between the addresses. At the conclusion, the graves of the colored soldiers were handsomely decorated with flowers.

FIRST SOD TURNED.

Late on Tuesday afternoon three of the Capitol Commissioners, accompanied by a crowd of about 200 people, went to the site for the new Capitol. After prayer by Rev. C. R. Hudson, and several short talks Gov. Beckham turned the first sod of the excavation with a spade which was specially decorated and prepared by Mr. Frank G. Staggs. After these ceremonies the spade was formally presented to the State Historical Society and will be kept in their rooms. Accompanying the spade was a card with the following inscription: "Presented to the State Capitol Commission by Frank G. Staggs, to be used to excavate the first spade full of earth on site of New Capitol Building, Frankfort, Ky., May 30, 1905."

ARM BROKEN.

A lad by the name of Wills Barton, living at the farm of Elkhorn, fell from a fence and broke his arm, on Tuesday. Dr. C. K. Wallace reduced the fracture.

CLOSE CALL.

On Tuesday afternoon, during the storm, Mr. Henry N. Ledridge (who was in a boat on the river at the Hermitage Distillery), rowed to the shore, got out of the boat and started up the bank, when the big sycamore tree, which stood next by, was blown down with a crash, carrying with it the big water pipe from the pumps of the distillery. So close was the call that a number of branches fell all around Mr. Ledridge. The damaged pipe was soon repaired.

CLIMATIC CURES.

The influence of climatic conditions in the cure of consumption is very much overrated. The poor patient, and the rich patient too, can do much better at home by proper attention to food digestion, and a regular use of German Syrup. Free expectoration in the morning is made certain by German Syrup, so is a good night's rest and the absence of that weakening cough and debilitating night sweat. Restless nights and the exhaustion due to coughing, the greatest danger and dread of the consumptive, can be prevented or stopped by taking German Syrup liberally and regularly. Should you be able to go to a warmer climate, you will find that of the thousands of consumptives there, the few who are benefited and regain strength are those that use German Syrup. Trial bottle, 25c; regular size, 75c. At all druggists. 1 yr.

"THE HOUR OF DOOM HAS STRUCK."

The long expected naval battle between the Japanese and Russians has transpired. The big Russian fleet of some 35 battle ships, cruisers, torpedo boats, etc., was almost literally wiped out of existence by the fleet of Admiral Togo, on Saturday, Sunday and Monday.

Some 8,800 Russian officers and men were captured, together with a number of the finest of their warships. These were at once put into the service of Japan.

Rear Admiral Nebozotoff was captured. Vice Admiral Rojestvensky was badly wounded and reported also captured.

It does look as though "the hour of doom had struck" for Russia.

NATURE'S BEAUTY SPOT INDEED IS COVE SPRING PARK.

The success of "Cove Spring Park" is certainly assured if the verdict of the large nightly gatherings are any criterion. The Kusell management has fulfilled every promise made to the public of Frankfort.

The plays produced thus far, by the charming Ina Lehr and her company, are worth many times the price of admission.

The extremely liberal policy under which the park is conducted is the secret of its success. There will be a performance every evening during the week, and a matinee on Sundays at 3:15 p. m.

Patrons may rest assured of the performance ending at 10:15 each evening and matinees will be over at 4:30.

GETS IN BAD.

One Peter Baxter and one Bob Baker (colored) engaged in a difficulty at Keeney's Mill, on Tuesday afternoon, when Baker struck Baxter over the head with a saw. At the sight of the blood Baker let out, but was captured by the police. Baxter went home, got his shot gun, and seeing a man by the name of Wilson (who he mistook for Baker) let drive with the gun, inflicting a slight wound in Wilson's leg. He was then also arrested.

DAUGHTERS OF CONFEDERACY.

Joseph H. Lewis, Chapter, U. D. C., will hold their meeting at the residence of Mrs. E. L. Samuel, on Monday afternoon, June 5, at 3:30 o'clock, instead of at the regular time to-day. Those interested please remember this.

"DO IT TO-DAY."

The time - worn injunction, "Never put off 'till to-morrow what you can do to-day," is now generally presented in this form: "Do it to-day!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it to-day, the less that remedy be Dr. Boecher's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists. 1 yr.

DANGER IN DELAY.

Kidney Diseases Are Too Dangerous for Frankfort People to Neglect.

The great danger of kidney troubles is that they get a firm hold before the sufferer recognizes them. Health is gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, diabetes and Bright's disease follow in merciless succession. Don't neglect your kidneys. Cure the kidneys with the certain and safe remedy, Doan's Kidney Pills, which has cured people right here in Frankfort.

Nellie E. Callis, of 574 Holmes Street, wife of W. H. Callis, foreman at the Frankfort Chair Co.'s Works, says: "I have the greatest faith in Doan's Kidney Pills for their treatment brought me untold relief. I had backache for years. It was not severe at all times, but when an attack occurred, especially if I over-exerted myself in any way, aggravation of the aching was sure to follow. A positive proof of some disturbed action of the kidneys was trouble with the kidney secretions. I tried various remedies, but found nothing that did me any permanent good. Reading an advertisement in our local papers about Doan's Kidney Pills it occurred to me that they might at least give some relief. Acting on this thought I went to J. W. Gayle's drug store and got a box. Their use proved that what people said about aching in my back ceasing was true, and the trouble with the kidney secretions was corrected. I thoroughly believe that any preparation which acts up to the representations made for it like Doan's Kidney Pills can not be too well known."

EPISCOPAL COUNCIL.

The Council of the Lexington Diocese of the Episcopal Church, which had been in session at Ascension Church, came to a close on Thursday night.

It was a large and representative body of the denomination. Almost every church in the diocese was well represented by the clergy and laity, the latter having many female as well as male representatives.

Much business of an important nature was transacted, and a number of strong addresses were delivered. Among the number was that of our old time friend and brother, Mr. John L. Ansdan, of Versailles, upon the adequacy of the Sunday-school work, whether done under the old time or the new order of things.

Mr. Ansdan was peculiarly happy in his remarks, and although his address was only fifteen minutes in duration, he compressed many solid truths into it, and showed the vital necessity of teaching the Bible and adhering closely to it and not depending so much on lesson helpers, etc. while recognizing their benefit at the same time. At the morning session, on Thursday, Rev. R. E. Abraham was solemnly ordained to be Priesthood by Bishop Burton, assisted by the clergyman present. Mr. Abraham was former Assistant Rector of this parish under Rev. R. L. McCready (Inclunat), delivered an eloquent and touching ordination sermon, such as he always does, and especially tender, as befitted the occasion, and under the relations which had subsisted between the two gentlemen.

Unanimous expressions of gratitude for the abounding hospitality extended the members of the Council by the people of this city were given voice just at the close.

"The Three Most Beautiful Roses"
By Paul de Longpre.

At the urgent solicitation of the Woman's Home Companion, Mr. Paul de Longpre, who is the greatest painter of flowers in the world, consented to make a painting of what he considered "The Three Most Beautiful Roses," and the painting is without doubt one of the masterpieces of this great artist. This magnificent picture is reproduced in all its original grandeur on the cover of the Woman's Home Companion for June. Although this cover is an accurate reproduction of a painting worth hundreds of dollars, yet the June number, which has this exquisite cover, may be had at any first-class news-stand or direct from the publishers for the trivial sum of only ten cents.

Mr. Paul de Longpre is justly styled the "King of Flower Painters." He not only paints roses, but every flower that grows, and is the highest authority on flowers. His paintings are found in the most select homes. Some have sold for as much as even thousands of dollars (\$7,500.00).

Artists, art critics and competent judges all agree that the covers of the Woman's Home Companion far excel those of any other magazine. The Woman's Home Companion is a magazine which, in beauty and excellence, art, stories, illustration and fashion, etc., excel all other home and family magazines. The Woman's Home Companion is published by The Crowell Publishing Company, New York City, also Chicago, Ill., at One Dollar a year, and is the favorite magazine in nearly half a million homes, where it is read each and every issue by three million people.

BALD EAGLE KILLED.

On Thursday, of last week, Mr. Floyd L. Stivers was attracted to the woods near his home by the great row raised by a lot of crows. Thinking there must be a big hawk there, he took his shot gun and went to investigate. Just as he reached the place a big bald eagle flew out from the woods, followed by a squad of cawing crows. He fired his gun at the big fellow. One shot entered just over the eyes, passing through the head. The rest of the load broke both wings of the monster bird. Notwithstanding this the eagle lived for some twenty minutes after being shot.

The bird measured 8 feet from tip to tip of his wings, and one of his talons, which Mr. Stivers brought with him, measured 7 inches. It was armed with claws more than an inch long and as keen as a briar.

Mr. Stivers lives on the St. John's pike, about five miles from the city.

He values his catch very highly. It is the first bald eagle seen in that neighborhood for many years.

PEA RIDGE.

Delayed Letter.

On Saturday last, at the residence of her parents, Little Georgia Dennis, aged about 14 years, passed from death into life eternal. One little suffering child less on earth, one little angel more in heaven. "Sing Death is but a Dream," she requested. Sweet child, she has entered into that sweet life of dreamland and a bright star of purity is shining in her crown. We will not say "she is dead," but only that "she is away with the dear little sisters gone before." Our heart goes out in sympathy to the lonely father and mother. May they, by God's help, be able to say—

"Yet with my burden of sorrow I'll go,

Patiently onward through life's weary day,

Knowing 'twas God who, in mercy and love,
Called from the home nest our loved ones away."

Rev. G. W. Hill returned Friday from the Southern Baptist Convention, at Kansas City, Mo. He says it was a grand meeting in every way.

Died—In Greenville, Tenn., on Friday, May 19, Mrs. Mattie E. Stone, wife of Mr. J. C. B. Stone, aged 41 years. Mrs. Stone was a most excellent woman, beloved by all who knew her. She had lived in this community all her life until about one year ago, when she and her husband moved to Tennessee. The funeral was conducted by Rev. G. W. SUGGESTION.

"Personal Magnetism and Auto-Suggestion" is the title of the leading article in Suggestion, for June; a magazine of the New Psychology for thinkers (Chicago). The writer holds that personal magnetism may be acquired by all; that it is not a mysterious, occult quality; and he gives some rules for acquiring those qualities which make friends; other articles relate to psychic research, suggestive therapeutics, the power of mind to produce health or sickness, nature cure, hygiene, and in general the application of the New Psychology for health, happiness and success.

The magazine advocates the theory that correct mental attitudes have far reaching effects on every condition of life, and that all have inherent psychic powers which may be cultivated with great profit.
